In the paper “Effects of climate variability and functional changes on the interannual variation of the carbon balance in a temperate deciduous forest” by J. Wu et al. (*Biogeosciences*, 9, 13–28, 2012); the reference list contains a wrong reference. The paper we cited by mistake is:

Larsen, K. S., Ibrom, A., Jonasson, S., Michelsen, A., and Beier, C.: Significance of cold-season respiration and photosynthesis in a subarctic heath ecosystem in Northern Sweden, *Glob. Change Biol.*, 13, 1498–1508, doi:10.1111/j.1365-2486.2007.01370.x, 2007.

The correct citation is as follows:
