

Christoph Engel/Lorraine Daston (eds.)

Is there Value in Inconsistency?

Nomos

Contents

Lorraine Daston / Christoph Engel:
Introduction: Can Inconsistency Be a Value? 9

Nancy Cartwright:
Against ‘The System’ 17

Lorraine Daston:
 Comment on Nancy Cartwright: Against ‘The System’ 39

Michael Friedman:
 Comment on Nancy Cartwright: Against ‘The System’ 47

Chrysostomos Mantzavinos:
 Comment on Nancy Cartwright: Against ‘The System’ 57

Philip Pettit:
Collective Akrasia 63

Edna Ullmann-Margalit:
 Comment on Philip Pettit: Collective Akrasia 83

Michael Baumann / Geoffrey Brennan:
Majoritarian Inconsistency, Arrow Impossibility and the Comparative
Interpretation: A Context Based View 93

David Bloor:
 Majoritarian Inconsistency, Arrow Impossibility and the Comparative
 Interpretation: A Context Based View: Comment on Baumann and
 Brennan 119

Christoph Engel:
 The Impossibility of Turning Arrow's Impossibility Theorem Epistemic:
 Comment on Baumann and Brennan 129

Michael Baumann / Geoffrey Brennan:
