PART I: THE FOUNDATIONS OF PRISON LABOUR.....	5
Chapter 1: The Aims of Work in Prison .....	5
I. The Official Aim: Rehabilitation.....	6
A. Increasing the employment skills of offenders: a means of reducing re-offending.....	6
1. The link between unemployment and delinquency .....	6
2. Professional handicaps of the inmate population .....	8
3. The role of work and training in prison to correct employment handicaps .....	12
B. The integrating function of work .....	14
II. Implicit Aims .....	15
A. The control function of work .....	15
1. The occupational role of work.....	15
2. Work as a disciplinary tool.....	16
B. The humanitarian mission .....	17
III. Controversial Missions .....	18
A. Work as part of punishment.....	18
B. Prison labour as an economic asset.....	19
Chapter 2: The Guiding Principles.....	21
I. The Principle of Normalisation .....	21
A. Normalisation of workers vs. normalisation of work .....	22
B. Different motivations, different results .....	23
II. The Limits of Normalisation.....	24
A. Limits imposed by the penitentiary system .....	24
B. The principle of compensation as a limiting factor.....	25
C. The limits imposed by "less eligibility" .....	25
PART II: THE FRAMEWORK OF PRISON LABOUR.....	27
Chapter 1: The Organisation of Work.....	27
I. The Legal Organisation .....	27
A. Work managed exclusively by the prison service.....	27
1. Domestic and maintenance tasks.....	27
2. Prison Industries.....	28
3. Farms and gardens.....	31

B. Work provided by external contractors, associations or trusts.....	31
C. Self-employment.....	32
II. The economic organisation of Prison Industries .....	33
A. Workshop organisation and economic management .....	33
1. The organisation of productive units.....	33
2. The financial management .....	34
a) The domestic sector.....	34
b) External contracts.....	35
c) Prison Industries.....	36
d) The overall economic performance of prison labour .....	37
B. Two key factors responsible for the lack of economic success.....	39
1. Shortcomings in business orientation .....	39
2. Organisational weaknesses .....	40
Chapter 2: The legal status of working inmates.....	42
I. Refusing Employee Status.....	42
A. Arguments for and against excluding inmates from employee status.....	43
1. Arguments in favour of exclusion .....	43
a) Arguments based on tradition .....	43
b) Arguments based on economic and security considerations.....	43
c) Legal arguments .....	44
2. Arguments against exclusion.....	45
a) Employee status promotes rehabilitation .....	45
b) Economic benefits.....	45
c) Reasons of equity .....	46
B. The consequences of the refusal of employee status .....	46
1. Curtailment of rights and benefits .....	46
2. Restrictions of procedural rights.....	47
II. Partial Extension of Rights and Benefits.....	50
A. Subjective rights .....	50
1. The right to work? .....	51
2. The right to be paid.....	52
a) The level of pay.....	52
b) The basis of calculation .....	53
c) The range of pay and its repartition .....	55
d) The notion of "appropriate wages" .....	57
B. The protection of workers .....	58
 PART III: WORK AND TRAINING IN NINE PRISONS.....	 63
Chapter I: Nine Prisons — Nine worlds.....	63
Method of Inquiry.....	63
I. The choice of establishment .....	63

II. The Inquiry .....	65
III. The French Establishments .....	66
A. The maison centrale of Ensisheim .....	66
1. General information about the establishment .....	66
2. Work and training .....	67
a) Productive work .....	68
b) Tertiary work .....	70
c) Housekeeping and maintenance duties .....	70
d) Vocational Training .....	71
3. Comments .....	71
B. The maison centrale of Poissy .....	72
1. General information about the establishment .....	72
2. Work and training .....	73
a) Productive work .....	74
b) Maintenance and domestic duties .....	76
c) Self-employment .....	76
d) Training .....	76
3. Comments .....	76
C. The centre de detention of Montmédy .....	77
1. General information about the establishment .....	77
2. Work and training .....	78
a) Productive work .....	80
b) Domestic duties and maintenance .....	81
c) External job placements .....	81
d) Training .....	81
3. Comments .....	82
II. The German Prisons .....	83
A. JVA Schwalmstad .....	83
1. General information about the prison .....	83
2. Work and training .....	84
a) Productive work .....	85
b) Domestic and maintenance tasks .....	86
c) Therapeutic workshops (Arbeitstherapie) .....	86
d) Training .....	87
3. Comments .....	87
B. JVA Straubing .....	88
1. General information on the establishment .....	88
2. Work and Training .....	89
a) The workshops .....	90
b) Domestic tasks, maintenance, laundry and kitchen .....	93
c) Therapeutic workshop .....	93
d) Professional training .....	94

III. Comments .....	94
C. JVA Kaisheim .....	96
1. General information about the prison .....	96
2. Work and Training .....	98
a) Productive Work .....	100
b) Domestic and maintenance work .....	100
c) Therapeutic workshop .....	101
d) Vocational training .....	101
3. Comments .....	102
IV. English Prisons .....	102
A. HMP Frankland .....	102
1. General information about the prison .....	102
2. Work and Training .....	103
a) Productive work .....	106
b) Domestic tasks .....	108
c) Vocational training .....	109
3. Comments .....	109
B. HMP Featherstone .....	111
1. General information about the prison .....	111
2. Work and Training .....	112
a) Productive work .....	113
b) Service sector activities .....	115
c) Domestic and maintenance tasks .....	116
d) Vocational training .....	116
3. Comments .....	116
C. HMP Swaleside .....	118
1. General information about the prison .....	118
2. Work and Training .....	119
a) Industrial production .....	120
b) Domestic and maintenance jobs .....	122
c) Vocational training .....	123
3. Comments .....	124
Chapter 2: Prison Labour Seen From the Inmates' Point of View .....	126
I. Previous Work Record and Actual Motivation .....	126
A. Professional Background .....	126
B. Reasons for working .....	127
1. Work, an economic necessity .....	127
2. An activity that structures the day and gets inmates out of their cells .....	128
3. Other reasons for working .....	130
C. Productivity .....	131
II. The Link between Work in Prison and Professional Reintegration .....	132
A. Work as a learning experience .....	133

B. Expectations about a professional future .....	134
C. Prison labour as seen through the eyes of the unemployed.....	137
III. Reform Proposals.....	139
A. Suggestion n° 1: changes in pay structure .....	140
B. Other proposals .....	141
PART IV: CHALLENGES .....	144
Chapter 1: Obstacles and Constraints.....	144
I. Material and Structural Constraints .....	145
A. Unsuitable sites, premises and equipment .....	145
1. Ill-adapted locations and premises .....	145
2. Second-rate equipment .....	146
B. Constraints linked to the prison structure.....	146
1. Rising prison population — rising security .....	146
2. Prison routine .....	147
3. Turnover of manpower .....	147
4. Conflicting goals .....	147
II. Constraints Linked to External Economic Transformations .....	148
A. Economic transformations have left Prison Industries behind.....	148
B. Competition for shrinking orders .....	148
C. Work is suffering from a loss of status .....	149
III. The human element.....	149
A largely unskilled labour force .....	150
B. Lack of motivation.....	150
C. Management, staff, trade unions .....	151
Chapter 2: Difficult Reforms .....	152
I. Recent reform proposal .....	153
A. French initiatives.....	153
1. The projet de loi relatif au service public pénitentiaire (Bill pertaining to the public penitentiary service), adopted on 11 <sup>th</sup> June 1987 .....	153
2. The report by the Social and Economic Council "Travail et prison", submitted by Jean Talandier in December 1987.....	153
3. Two three-year plans for the improvement of working conditions and the increase of the number of jobs .....	154
4. Reforms proposed by the two parliamentary commissions of 2000.....	155
5. The Loridant Report .....	156
B. Reform programmes in Germany and England .....	157
1. Germany .....	157
2. England.....	159
a) The statement of purpose .....	159

b) A clear division of competences .....	161
c) Increasing the efficiency of Prison Industries .....	161
II. Resistance to Reforms .....	163
A. Organisational convenience .....	163
B. Professional Interests .....	164
C. Political motivations and economic conditions .....	165
Conclusion .....	166
Bibliography .....	170
List of Tables .....	179
Abbreviations .....	180
