## Author Correction: Current Climate Change Reports <https://doi.org/10.1007/s40641-020-00164-w>

The original version of this article unfortunately contained a mistake in the Acknowledgements section. The Acknowledgements should read:

**Acknowledgements** The authors thank the editor, Dr. Isla Simpson, for inviting this review and the two anonymous reviewers for their insightful comments. EB further

acknowledges support from the European Union's Horizon 2020 research and innovation programme under grant agreement No 824084 (IS-ENES3).

The original article has been corrected.

**Publisher's Note** Springer Nature remains neutral with regard to jurisdictional claims in published maps and institutional affiliations.
