# **The Structure of the Simple Clause in Language Acquisition**

**Edited by**

**MELISSA BOWERMAN and CLIVE PERDUE**

## **From the Board of Editors**

In addition to its regular publication activities, *Linguistics* welcomes proposals from prospective guest editors for collections of papers devoted to a particular theme of interest to students of natural language. Contributions intended for such issues are subject to the journal's normal refereeing standards and procedures. Special issues appear as regular numbers of the journal and are available to subscribers on the usual basis.
