Corrigendum to “Stereochemical analysis of menthol and menthylamine isomers using calculated and experimental optical rotation data” [J. Mol. Struct. 1103 (2016) 166–176]

F. Reinscheid, U.M. Reinscheid*

NMR-based Structural Biology, Max-Planck-Institute of Biophysical Chemistry, Am Fassberg 11, 37077 Göttingen, Germany

The authors regret to inform that a typographical error occurred in the published version of the article. In the last sentence of the abstract and of the conclusion the correct expression with the specific optical rotation should read “ $-10 < [\alpha] < +10$ ”. We would like to apologize for the inconvenience caused.
