Science Europe

Science Europe is an association of ~50 European Research Funding Organisations (RFO) and Research Performing Organisations (RPO)

Based in Brussels

Scientific Advisory Committee + working groups

Working Group on Research Data

Since 2012

21 participants, 16 countries

What we did so far:

- Science Europe Roadmap
- Survey on funding RDM

What we are currently doing:

- Harmonization of funders' RDM policies
- Domain Data Protocols
- Understanding European Open Science Cloud
- Organizing events on RDM
